Welcome to the Island

Tamarac Island Inn and Motel is a hidden gem located on beautiful Tamarac Island on the shore of Lake Huron. Our waterfront boutique resort covers both sides of the island, so you can experience the sunrise in the morning and the sunset in the evening. We have 5 acres of waterfront property, with a gorgeous sandy beach, large docks, beautiful gardens, and relaxing patios. The entire property is yours to explore!

We are happy to host your corporate, yoga, wellness, photography or other enthusiast retreat, meetings, conferences, workshops, and team-building events. Your group will have the opportunity to disconnect from the fast pace of life to retreat and focus in peaceful surroundings and newly renovated, 4-season accommodation. When you book in the off-season (October-May), we can provide you with all of our accommodations and the resort exclusively for your group.
